

The diagram consists of three main elements in a horizontal sequence. On the left, the text "TAX MAP" is positioned above a wide, short arrow pointing to the right. This arrow points towards a central symbol, which is a stylized "Z" or a zigzag line. This symbol is flanked by two short vertical lines, one above and one below. From the right side of this "Z" symbol, a long, thin arrow points further to the right, extending towards the edge of the diagram.
